

FLORIDA DEPARTMENT OF TRANSPORTATION

Job Description: Transportation Planning Engineer
Position: 02028, EAS III (Engineers, All Other – Level 3)
Broadband Code: 17-2199-3
Pay Band 09
Location: Ft. Lauderdale (Broward County), Florida
Class Salary Range: \$1,180.19 - \$2,285.96 biweekly

The Florida Department of Transportation (FDOT) has an open position at its District 4 Planning and Environmental Management Office. This position works within the Systems Planning group with a team of professionals on demand forecasting, Long Range Transportation Plans, Corridor planning/engineering studies, community impact and development impact studies, capacity analyses, traffic simulation, and GIS data analyses. The position will also be responsible for managing consultant contracts. Applicants must have a strong background in transportation planning/engineering, traffic engineering, or a related discipline. Knowledge, Skill, and Ability requirements apply. Class minimum salary is \$1,180.19 and the maximum will not exceed \$1,825.33 bi-weekly.

The FDOT is a progressive transportation agency at the forefront of transportation demand forecasting, planning, engineering, and growth management issues. Florida continues to develop its transportation infrastructure in support of an energetic economy and rapid population growth, providing an exciting professional climate. The Ft. Lauderdale/Broward County metropolis is a growing area with extensive recreational opportunities with warm weather year round. The FDOT offers an excellent benefits package, competitive salaries, selective tuition reimbursement, and opportunities for career growth. Florida has no personal income tax.

Applicants must submit a current and complete State of Florida Employment Application Form to Ms. Beth Welch at 3400 W. Commercial Blvd., Ft. Lauderdale, Florida 33309. Phone (954) 777-4601. Fax (954) 777-4671. For more information, call our 24-hr Jobline at (954) 777-4444 or visit www.myflorida.com. The closing date for applying for this position is **October 18, 2002**.

If you need an accommodation due to a disability in order to participate in the application/selection process or have additional questions, please notify the contact person in advance. Male applicants between the ages of 18 and 26 years must provide proof of Selective Service registration or exemption. DFWP/EEOC/AA/VP. Proof of U.S. citizenship or permanent alien work authorization required.
